Chicago, December 14, 2009, NASA Midwest, Inc.

NASA Midwest is pleased to welcome Midnight Fabrication as our newest Tech Shop. Midnight Fabrication will provide HPDE inspections and Competition annual inspections/log books issuance along with full service racecar preparation and fabrication services. Midnight Fabrication is located in New Berlin, Wisconsin, a suburb of Milwaukee.

Steve Schmidt, owner of Midnight Fabrication has over 25 years of experience in restoration, repair/service and racecar building preparation. They build everything from Pebble Beach winners to current Spec Miata and a VW Rabbit for GTS-2.

Steve Schmidt, owner of Midnight Fabrication said, "I am are pleased to have this opportunity to serve NASA drivers in Milwaukee and the surrounding areas. We are excited to help NASA grow throughout the Midwest Region."

"I am very pleased that we have brought Midnight Fabrication on board as a Tech Shop. Steve brings his expertise and experience to an underserved part of the metro Milwaukee area." said Bryan Cohn, Director of Competition, NASA Midwest, Inc.

Dave Royce, Region Director of NASA Midwest, Inc said, "I'm pleased to have Midnight Fabrication onboard to provide Tech Shop services to NASA Midwest drivers."
