Chicago, March 12, 2010, NASA Midwest, Inc.

NASA Midwest is pleased to welcome Doug Rippie Motorsports as our newest Tech Shop. Doug Rippie Motorsports will provide HPDE, Time Trial inspections and Competition annual inspections/log books issuance along with full service racecar preparation, engines, suspension upgrades, dyno and fabrication services. Doug Rippie Motorsports is located in Buffalo, Minnesota, 40 miles northwest of Minneapolis-St. Paul.

Doug Rippie Motorsports has been in business 30 years, with Doug having success as a driver since he started racing in 1972! Doug and his team provide a complete compliment of racing services along with scheduled maintenance on Corvettes.

Randy Rippie, son of owner of Doug said, "I am pleased to have this opportunity to serve NASA drivers in Minnesota and northern part of the NASA Midwest Region. We are excited to be a part of the re-birth of motorsports at BIR and to help NASA grow throughout the Midwest."

"I am very pleased that we have brought Doug Rippie Motorsport on as a Tech Shop. "I've known of Doug and of his teams abilities for going on 25 plus years, as we were competitors in the old Firestone Firehawk and Playboy/Escort Endurance Series. Their success at every level of motorsports will up the ante in our Region." said Bryan Cohn, Director of Competition, NASA Midwest, Inc.

Dave Royce, Region Director of NASA Midwest, Inc said, " I'm pleased to have Doug Rippie Motorsports onboard to provide Tech Shop services to NASA Midwest drivers".
