Chicago, March 11, 2011, NASA Midwest, Inc.

NASA Midwest is pleased to welcome McCann Racing as our newest Tech Shop. Located in North Canton Ohio, McCann Racing will provide HPDE and Time Trial inspections and Competition annual inspections/log books issuance along with full service racecar preparation, fabrication, hospitality and trackside support.

McCann Racing has been in business for over 20 years, with the owner, Michael McCann having success as a team owner and driver, running the Cadillac CTS-V and Dodge Viper World Challenge program for several years. Their crew chief, Dan Fiffick has experience as a car builder, fabricator, team manager and mechanic. Their collective knowledge allows them to provide a complete compliment of racing services.

Michael McCann, owner of McCann Racing said, "I am pleased to have this opportunity to serve NASA drivers in eastern Ohio and the Great Lakes Region. We are excited to help continue NASA's growth."

"I am very pleased that we have brought Michael and his team at McCann Racing on as a Tech Shop. "Michael and his staff bring a wealth of experience to the table and with the teams past success I expect great things in their future." said Bryan Cohn, Director of Competition, NASA Midwest, Inc.

Dave Royce, Region Director of NASA Midwest, Inc said, "I'm pleased to have McCann Racing onboard to provide Tech Shop services to NASA Great Lakes drivers".
