Chicago, March 15, 2011, NASA Midwest, Inc.

NASA Midwest is pleased to announce a new benefit for NASA members. Melrose Park Indoor Grand Prix in Melrose Park, IL is now offering exclusive discounted race and annual license pricing. Melrose Indoor GP, the largest indoor racing facility in the Midwest offers two different course configurations depending on the day of the week, walk in as well as private league racing and 270cc environmentally friendly propane powered karts. Its fun for the experienced driver or novice alike.

Brett Ross, VP of Sales & Marketing at the Melrose Indoor Grand Prix said, "I am very excited about working with NASA and pleased to have this opportunity to offer NASA drivers the chance to race year round with us.

Dave Royce, Region Director of NASA Midwest, Inc said, "We are very happy to add Melrose Park Indoor Grand Prix to the ever growing benefits list for NASA Drivers. Racing is in our souls and having a place to let loose over the long Midwest winters is a perfect way to keep sharp"
